

Support a Class >>> Impact a Whole Class of Children

How does supporting a class impact children's lives?

Your support enables children to attend Impact Ministries schools to receive an academic education and be taught to know and love the Lord!

What does my support provide?

Your investment of \$50/month helps break the cruel cycle of poverty and illiteracy for the children in your class.

Your support will help the children receive:

- resources to provide the best education possible
- Christian discipleship and mentoring
- healthy nutritious meals and vitamins to help them learn better
- a welcoming environment with appropriate facilities
- care from teachers who support them holistically

Some of these services are funded through other gifts to Impact Ministries. We are looking for at least 10 supporters for each class.

How can I stay in touch with my class?

You'll receive:

- a class supporter package including a photo of your class and their teacher
- the enthusiastic prayers of students in your class
- a yearly update from your class

You can:

- pray for your class regularly
- write your class online or by snail mail
- personally visit your child through our annual sponsor trip

Why should I support a class with Impact Ministries?

At a Vida school, Christian teachers - many of whom were once Vida students themselves - are personally involved in your students' lives on a daily basis. Our leaders, teachers and support staff provide godly role models to help the children in your class know the Lord and become all that He intends for them to be.

Why Guatemala?

In the rural areas of Guatemala, more than 75% of indigenous people live in poverty. Many children don't complete elementary school. Local religions combine Mayan traditions, Roman Catholicism, and witchcraft, resulting in an oppressive religious spirit that keeps people in fear and bondage. Impact Ministries is focused on bringing help and the hope of Jesus Christ to the Q'eqchí and Poqomchí people groups of Guatemala.

Train a child in the way he should go, and when he is old he will not turn from it.

~ Proverbs 22:6

Mission Statement

To train Guatemalans for leadership by teaching biblical principles in such a way that they become integrated in their lives and effect spiritual change in their society, and to impact North American Christians for world missions.

“Dulce has 8 brothers and lives in a family with few resources. Her parents have recently separated, causing Dulce to move around the region. But school has been like a second home to her, and she’s learning that God can fill the void that has been left in her family.”
