## Why Impact Ministries?

Impact Ministries has been working in Guatemala since the year 2000, and many of our leaders were once Vida students themselves. We provide opportunities for North American Christians to come alongside these Guatemalan leaders through giving, going and praying. It's exciting to see Christians from throughout North America joining together with our Guatemalan brothers and sisters to present the life-changing message of Jesus Christ.

## Why Guatemala?

Years of hardship have prepared the hearts of the Guatemalan people, and they are hungry for the truth of Jesus Christ!

In the rural areas of Guatemala, more than 75% of indigenous people live in poverty. Many children don't complete elementary school. Local religions combine Mayan traditions, Roman Catholicism, and witchcraft, resulting in an oppressive religious spirit that keeps people in fear and bondage. Impact Ministries is focused on bringing help and the hope of Jesus Christ to the Q'eqchí and Poqomchí people groups of Guatemala.

# Growing Godly Leaders

*“I want to help other children who are living in the same situation that I was and change many generations. I can tell you that my generation has changed now. I want all my students to be a new generation.”*
