

IMPACT MINISTRIES

Our Mission...

To train Guatemalans for leadership by teaching biblical principles in such a way that they become integrated in their lives and effect spiritual change in their society, and to impact North American Christians for world missions.

December 1, 2019

Little Keyser and his big sister Nayeli looked absolutely dishevelled when they showed up at Vida Chijacorrall School. They didn't have their school uniforms or backpacks with their notebooks. It didn't look like they had slept much at all. But their mom brought them to school anyways. She knew they'd receive a hot breakfast there – and find a refuge from the fallout of a disintegrating family.

For Keyser, having a school to go to means so much more than just an education. **It is a place of love and safety after the scariest night of his young life.**

Will you help us be there for children like Keyser? This Christmas you can double your impact while building a brighter future for children in Guatemala. **Every dollar you give will be matched!**

We knew that there were problems at Keyser's home. "Teacher, will you please pray for my dad?" the 5-year-old had asked just a few days before. "Last night he fought with my mom."

But now things had come to a head. The previous night, Keyser's parents had argued once again.

This time, as his dad stormed out, his grandmother decided to kick her daughter-in-law out of the house. The police were called to evict the family. Keyser's big sister was crying, and Keyser himself tried to run away with a police officer in pursuit. **Mom collected up her frightened children and left everything else behind.**

The next morning, Vida Chijacorrall was truly a place of refuge for Keyser and his sister. They filled their tummies with food and participated in the morning devotional, and as the teachers prayed for them, they felt safe and loved.

Keyser’s mother continues to pray for her husband – and for a brighter future for her children. She works long hours to provide for Keyser and Nayeli, and the family is currently living with an aunt so that the children aren’t on their own when they come home from school.

Keyser keeps praying for his dad too. He has hope that one day his dad will come back and they can continue being a family.

But in the meantime, Keyser’s faith continues to grow. **School has become a place of refuge for his heart in the midst of everything that’s happened in his family.** Keyser and Nayeli are happy to walk to school in the mornings – and they know God has a hope and a future planned for them.

Will you be part of Keyser’s brighter future? Your gifts will be used for school construction – including new classrooms in Keyser’s school – as well as educational programs. And your gifts will be matched dollar for dollar (up to \$100,000!) until the end of the year.

Please, tear off the donation form below and send it today with your gift. Or go online to www.impactminusa.org/build and donate there. **Because children like Keyser need us to be there for them when life is hard.** Together, we can build a brighter future for children like Keyser.

May your Christmas be bright,
