

IMPACT MINISTRIES

Our Mission...

To train Guatemalans for leadership by teaching biblical principles in such a way that they become integrated in their lives and effect spiritual change in their society, and to impact North American Christians for world missions.

December 1, 2022

“We long for our children’s history to be different”

Juan’s parents never had the opportunity to study. But they have big dreams for Juan – both spiritual and academic. Above all, they want him to grow in his faith and to love others. They also want him to grow in his studies and to have the opportunity to go to university.

Juan is 5.

It’s a long road from kindergarten to university, but Juan is on his way. There is a Vida School near his village, where he attends class every morning. When Juan graduates from Grade 7, there’s a Vida Junior High for him to go to or he can attend the Vida Weekend Extension Program. These options will provide him with a high school education. **Juan has opportunities to learn.**

For too many Guatemalan children – especially those living in remote communities – the parents’ history is repeating itself. There are few accessible schools. There are few opportunities to study. There are few opportunities to know God.

Will you help change that? **Right now you can double your impact while building a brighter future for children in Guatemala.** Every dollar you give will be matched!

Juan is so excited to go to school. He’s learning to speak Spanish for the first time, in addition to the Poqomchi he speaks at home. He’s learning to sing praises during the morning devotions. He loves to draw pictures. He loves to learn. **His parents can already envision a brighter future for little Juan.**

Will you help us build a brighter future in other communities in Guatemala too? The Department of Education has asked Impact to reach into even more remote areas where there are few elementary schools and no junior high or high schools.

Because of Vida Schools, Juan has opportunities to learn

Juan is learning to sing praises

Your donation will be matched!

Juan loves to draw

Juan and his classmates are learning about the light of the gospel - and that makes their future bright!

We've identified several villages that are in desperate need of educational opportunities – and of the Word of God.

We're just starting the process of building trust with leaders and with the communities themselves, and seeing where God will lead. It's a long road to a brighter future, but these are the first steps.

This Christmas, you can continue to be part of Juan's brighter future – and **you can build a brighter future for children** whose families don't even know yet that hope for the future is possible.

So, please tear off the donation form below and send it in today with your gift. Or go online to www.impactminusa.org/build and donate there. Until the end of the year, your gift will be matched (up to \$100,000)! **Because brighter futures are waiting.**

May your Christmas be Bright,

Les + Rita Peters

 Impact Ministries

P.S. Will you help us build a brighter future for children in Guatemala? Let's go deeper for kids like Juan – providing them with programs and developing resources for excellent Christ-centered education – and let's go broader for children in unreached communities who still need to learn that there's a brighter future for them too!
