Thank you for changing lives and growing godly leaders in Guatemala in 2024. God has used you to pour out His resources to help many, many children and families.

Many precious people are stepping by faith into God's kingdom and learning to lean on the loving arms of their heavenly Father. We are in awe of His incredible and unending mercy, compassion and love.

Toño in Elementary School

From Grief to Graduation

Toño became a Vida student as a four-year-old. He was blessed with a school uniform, daily meals, care at the Impact Clinic, and loving teachers who disciplined him in God's Word. Despite his family's financial struggles, Toño worked odd jobs, like selling spare parts, while continuing his studies.

In Junior High, tragedy struck when his father passed away. Overwhelmed with grief, Toño's grades slipped, and he lost motivation. But his teachers supported him with prayer and encouragement, helping him graduate from Grade 10.

To everyone's joy, Toño went on to enroll in the Teacher Education program. Balancing his practicum, studies, late-night assignments, and a weekend job making piñatas, Toño persevered. This year, he graduated as a teacher, a moment of pride for his family, teachers, and friends.

Thank you for helping build a brighter future for kids like Toño – you are changing lives in Guatemala!
